My Brothers,

As my first year as your State Advocate is rapidly coming to an end it is not quite what I thought it would be. At the start I imagined having the opportunity to meet many of my fellow Knights in Pennsylvania but that just did not happen because of Covid-19. I did have the opportunity to meet a few through zoom, just not the same.

When I first thought about becoming a State Officer I imagined it something different. Truth be told it has been more enjoyable than I thought. I have come to find out that I deal with many problems that arise but unfortunately I am not able to talk about. I hope that all my answers have been satisfactory for everyone involved.

As we embark on the 2nd year of State Deputy Ken Grugel's administration I hope that my fellow brother Knights in Pennsylvania continue working with your State Officers as we try to move the Order forward in 2021 and into 2022. We feel the Knights are moving in the right direction in the State during these difficult times but we cannot do it by ourselves. So I again ask you for your support in our efforts.

I look forward in serving you in the upcoming year with the goal of our Order becoming stronger in our work and deeds as the years go by.

Vivat Jesus!

George E. Schneider, Jr.
