Knight of Columbus Mon-Valley Chapter 2017 Annual Report

President's Message

The Mon-Valley Chapter is part of the Western Section along with the Beaver, Greensburg, and Pittsburgh Chapters. As a proud member of the Western Section, we are honored to participate in all of the Knights of Columbus projects that make our order so necessary. On behalf of the Mon Valley Chapter, I want to thank our State Deputy Charlie Vagnerilli, and all of the state officers for doing a great job. I would also like to express our appreciation to all of the state chairmen and directors. Thank them all for their hard work and dedication to keep the jurisdiction of Pennsylvania of the Knights of Columbus moving forward. A chapter is only as strong and active as its councils. That said, the Mon Valley chapter is as strong as any in our state. In the Fraternal Year of 2015-2016 of the 15 councils within the chapter; 12 of those earned an award from Supreme; We had a double Star, 2 other councils earned Star, 9 earned the Columbian award; with three of those 9 also earning the McGivney award. In addition we had a council earn 3 Supreme awards from the state for Church, Council, and Family. We had a council earn the state award from division three for Church. We also had a council earn a state membership award for highest net gain in division three. Later in this report you will read some of the activities and achievements of the individual councils. It is under the leadership of our Chapter officers and three dedicated District Deputies; that the chapter continues to move forward on Our journey to Columbiansism. We would also like to thank our Chaplain Father Pierre "Bud" Falkenhan for spiritual guidance. I would like to extend our best wishes to all of the councils and their delegates for a successful convention and a blessed and prosperous fraternal year to come. In closing, the Mon Valley chapter is committed to carrying on the tradition of Columbianism inherited from past leadership. May Father Michael J. McGivney guide us in all that we do.

Vivat Jesus,

Ken Santoro

CHAPTER ACTIVITIES

The Mon Valley Chapter's primary charity continues to be our annual presentation of a scholarship to seminarian. This \$1,000.00 scholarship is presented at the Western Section Columbus Day dinner. This past year we also sponsored an additional seminarian for \$500.00.

The Chapter also participates in the Diocese of Pittsburgh Bishop's Project which supports two regional schools for exceptional children in the Pittsburgh Diocese. Those schools are the St. Anthony School and The McGuire Memorial Home. For the year of 2016/2017 the project raised \$186,000.00 the most for a project year. The chairman this past year was Jack Rosati who is a past president of our chapter. Since the program started in 1959, this project has raised over 6.4 million dollars in support of these two institutions. For our councils within the Greensburg Diocese, the chapter annually contributes to Clelian Heights, another school for exceptional children.

While our chapter meets on the last Tuesday of every month, we annually hold a rosary recitation at the Tomb of the Unborn in lieu of our July meeting. This ceremony commemorates the anniversary of when we erected the Tomb at Sacred Heart Cemetery in Monongahela, Pa in 1997. In December, we have a Christmas party.

The Mon-Valley Chapter has donated funds for the Western Section Ultra-Sound project. The project raises money to purchase Ultra-Sound machines for caregiving facilities that advocate "LIFE" instead of abortions. With matching funds from Supreme the project has been able to place 9 machines located in South Western PA. in the first 5 years.

COUNCIL ACTIVITIES

Burgettstown 3440- Sponsor a Seminarian, are Catechists for CCD, Alter Server recruitment and appreciation, have a movie night showing different films about the Catholic faith, pancake breakfasts supporting the 4 parishes they serve, 5th Sunday rosary, and have a chicken roast with proceeds going to Wounded Warrior.
