Grand Knight's Message

November has always been an important month for Peace Council with the Memorial Mass and Sister's Appreciation Dinner. December follows with our Christmas parties and charitable giving. We will continue the momentum in the new year. In April, Peace Council will celebrate 60 Years! Stay tuned for further information. Better yet, come to the Council Meeting.

Ken Harper
Grand Knight

Football Sweeps

With the skies getting darker and the air is starting to get a chill in it, then that must mean that the selling of the football pools has come to an end. For those of you that don't know the football pools are a MAJOR FUNDRAISER for the Council. The more that we sell the more the council profits.

This year I have the honor to say that we have really out done ourselves. Usually we sell so where in the neighborhood of 320-330 pools, this year we had sales totaling over 490. Again, a job well done.

On that note besides everyone who helped sell these pools I would like to take notice of a couple of the guys who went over and above. A special thanks to Fred Shell, Ron Liberatore, Mike Yuknek and of course Harry Swallow.

Respectfully,

Dan Cline
Chairman
