ERRATA

As almost always, there are a few errors in the newsletter. The most egregious is my oversight of one of the team members of the First Degree Team. I neglected to mention RICH SIWINSKI who serves as the Grand Knight on the Team. My apologies to Rich. Unfortunately I can't call it a typo...more like a senior moment.

Also please note that the calendar shows February 11th as the date scheduled for the General Meeting. The correct meeting date is also shown as February 8th
