April 2017

An Easter Reflection.

The Resurrection of Jesus confronts us with a timely thought: where will we be in the year of Our Lord 2117? One hundred years in the future we will all, no doubt, have died. But, we are eternal beings. Our souls will leave our bodies (to be reunited on the last day,) however, that is by no means the end. Tempus fugit, memento mori. At our death, we face judgment. God does not want us to live in fear of this judgment. All of us need to realize that as long as we lead lives which follow the teachings of Jesus, we will be saved. God has given us Salvation; we do not deserve it, we cannot earn it - it is a free gift of a loving Father. All we need to do is to accept the gift and live as Christ teaches us. When we do this, we can be assured of living in Heaven in the presence of the Blessed Trinity in 2117 and for all eternity. As we move through the grace filled Easter Season (fifty days), let us all do so with increasing Joy. At Easter we rejoice because Jesus Christ conquered Death and Sin. Let us embrace Easter Joy and bring it to our families and all around us.

Vivat Jesus!

Brothers, Recently before our regular monthly meeting on April 20th we held a First Degree

Ceremony for two new members. We welcomed Bailey Huddleston and Curtis McQuaide to our council. We are always looking for new members to join with us on our mission to help unite and strengthen our partner parishes and assist Fr. Sam any way that we can.

Did You Know - Calvin Kulik

Did you know... that the cylindrical towers at the 4 corners of the K of C headquarters building in New Haven, Connecticut, represent the 4 core principles of the Order: Charity, Unity, Fraternity, and Patriotism? This 23 story, modern style reinforced concrete building, dedicated in 1969, serves as the international headquarters for the Knights and is home to Supreme Council.
