

Knights of Columbus Newsletter Council #15373

June 2018

From the Chaplain - Fr. John Harrold

Brothers,
Let us pray for all those affected by the Border Crisis! Pray for the children and families that are being separated. Imagine how horrible this must be for these little children and for their parents! Pray for all the people in our country who are trying to deal with all these people on the front lines. They are trying to do their jobs and trying to help these people based on the policies of our government which doesn't seem to include a sense of compassion. Pray that our government leaders will be more concerned with coming up with Solutions than arguing politics and blaming one another.

We are preparing to celebrate Independence Day and all the rights and freedoms that we enjoy as citizens of this wonderful country. Imagine what it's like to live in other countries that don't offer these freedoms and where your only choice is to travel by foot to a place that does not want you. Our country is in crisis and only with God's help will the solutions be found.

From the Grand Knights Table - David Swierkosz

Brothers, at our regular monthly June meeting we held the annual officers election. The existing slate of officers was voted in for another term. I am humbled and honored to serve with a great bunch of Catholic men. We as Knights will continue to serve our partner parishes and local communities and strive to

help unite and strengthen them. We are always reaching out to any practicing Catholic male 18 years and older. If you feel like you have been blessed and want to share your time and talents please consider joining us on our journey. Thank You, Dave Swierkosz.

From Field Agent - Michael Steele June is Annuity Awareness Month

Is retirement on your mind? Are you wondering if your hard-earned assets will sustain you throughout your retirement years? Setting up an annuity with us could be the solution for which you are searching.

The Knights of Columbus has been rated A++ by A.M. Best - their highest rating - for 41 consecutive years. We have \$23.6 billion in assets. Let there be no question: **YOUR MONEY IS SAFE WITH US!!!**

Our retirement annuity carries a lifetime minimum guaranteed interest rate of at least 1.5%...and, at retirement, can offer you a guaranteed monthly income for the rest of your life. There are no administrative fees.* You have flexibility and choice on when and how much you want to contribute and then you decide what age you want to begin receiving benefits.

Strength, Security and Confidence are synonymous with the Knights of Columbus. What more could you be looking for?

It would be my pleasure to discuss with you how you can begin a program with us or rollover an existing IRA, 401(k) or bank CD into a Knights of Columbus annuity.

From the Newsletter Editor and P.R. Chairman - Ken Nath

As the result of our fundraising efforts the following donations were made this past month: We provide bibles to each of our partner parishes High school graduates, gave each of our first communicants banners commemorating their first communion, gave a donation to St. Jude's Hospital, and made a significant donation to our Bishop to be used for vocations. None of this would have been possible if it were not for your generosity and continued support of our efforts, THANKS!!!!

At this time I have 4 projects that I would like to get going in the next few weeks: Paint the new AC ductwork, clean-up the interior of the old church and complete the backhoe work for the garden at St. Matthew's. Complete the refinishing of and construction of a display stand for the original bell from the old St. Sylvester church. If you would be willing to help with these projects, please contact me either at 468-1106 or via email at krnath167@gmail.com.
