

# Pennsylvania State Council 2016-17 Football Sweepstakes Project Report

Brother Knights,

In the 2016-2017 Football Sweepstakes year, we again used FundCrazr for the management of the football sweepstakes program. FundCrazr lowered their fee by another \$10,000 for this year. This marks a \$25,000 savings over 2 years over the former company, Green Bee.

This year I was asked by the State Deputy to provide some help for the State Convention by contributing \$1 per ticket for the first 100 tickets sold by a council. The check was \$19,749 and was presented at the January District Deputy Seminar. Even with this extra payment, we were still able to provide a bonus of \$3.00 per ticket to the councils and \$15,000 to the Sections based on their participation.

This year, 347 Councils participated in this year's program. This was an increase of 1 Council. The Councils sold a total of 31,475 tickets. This is an decrease of 1000 tickets from last year. The total profit to the councils was \$174,983.
