

Pennsylvania State Council 2017-18 Football Sweepstakes Project Report

Brother Knights,

In the 2017-2018 Football Sweepstakes year, we again used FundCrazr for the management of the football sweepstakes program. FundCrazr lowered their fee by another \$2,000 for this year. This marks a \$27,000 savings over 3 years over the former company, Green Bee.

This year I was again asked by the State Deputy to provide some help for the State Convention by contributing \$1 per ticket for the first 100 tickets sold by a council. The check was \$20,000. Even with this extra payment, we were still able to provide a bonus of \$3.00 per ticket to the councils and \$14,500 to the Sections based on their participation.

This year, 339 Councils participated in this year's program. This was an decrease of 8 Councils. The Councils sold a total of 31,370 tickets. This is an decrease of 105 tickets from last year. The total profit to the councils was \$174,818.
