

Pennsylvania State Council 2018-19 Football Sweepstakes Project Report

Brother Knights,

In the 2018-2019 Football Sweepstakes year, we again used FundCrazr for the management of the football sweepstakes program.

This year I was again asked by the State Deputy to provide some help for the State Convention by contributing \$1 per ticket for the first 100 tickets sold by a council. The check was \$18,036. Even with this extra payment, we were still able to provide a bonus of \$3.00 per ticket to the councils. Unfortunately we were not able to provide money to the sections this year due to the decrease in ticket sales.

This year, 321 Councils participated in this year's program. The Councils sold a total of 28,285 tickets. This is an decrease of 777 tickets from last year. The total profit to the councils was \$155,814

I mailed the bonus checks to the Financial Secretary of each Council. The bonus checks this year were \$3.00 per ticket for a total in bonuses of \$84,855. If you have not received your check, please see your Financial Secretary.

Thank you to all those that help to make this program a huge success!
