Worthy District Deputies, Grand Knights\Faithful Navigators, Chief Counselors, Brothers all,

Re: Pennsylvania State Squire Rose Circles

Pennsylvania has established a program for Catholic girls; Squire Roses, which are the female compliment to Squires. This program is modeled after a program initiated in Virginia and copied, modified and brought to fruition in as many as eleven states.

Our **State** program is for Catholic girls from the ages of 10 – 18 and has been modified from the Virginia concept in several areas. The primary difference is it is to be administered by women with oversight at the State Youth level. As such, a Squire Rose Circle may only be initiated where; 1. A Squire Circle exists, 2. The sponsoring Council/Assembly agrees, 3. Female Counselors agree to provide guidance, 4. Appropriate paperwork is filed with the State Youth & Squire Director. The initial paperwork is **FormPA-INTENT** which is listed within this tab on the State web site.

Once the form has been completed and verified, a startup packet will be sent to assist you in forming the Squire Rose Circle.

Additional Information may be obtained by calling (717) 329-2725 or e-mailing Centralpasquires@aol.com.

Fraternally yours,

Michael N. Yakubick
